Comment. The KVP agencies and KVPD numbers mentioned in the present report were known previously. KVPD 0563 B is a branch of the Magerviehhof central motor vehicle repair shop and is allegedly located in Treptow. No 1380 belongs to the tank officers' school in Grossenhain; 1380 W was reported for the first time, it probably belongs to the central tank repair shop in Grossenhain. It is surprising that No 2155 should be carried under Quartiernutzungsamt Dresden although this number belongs to the tank instruction regiment in Zeithain of TV 6000. VPL agency in Dierstetten was reported for the first time.
